**A CENTRE FOR SPIRITUAL
NOURISHMENT AND GROWTH**

BRIEF HISTORY

The Resurrection Garden was founded by His Eminence Cardinal Maurice Michael Otunga together with Fr. Ottavio Santoro, a Consolata Missionary. They had a universal and open heart for the needs of the Church in their lifetime.

The Resurrection Garden

is a Sacred Shrine dedicated to the Risen Lord. The main features in the Shrine are derived from the history of Christian Salvation highlighted by full size beautiful Mosaics representing both the Old and the New Testament events, followed by the Way of the Cross designed on bronze panels. The Garden therefore is of great meaning for us, first Adam and Eve our parents, were given a beautiful Garden of Eden but because of sin, God sent them away from this place of love and hope into suffering and toil. But God because of his infinite Mercy continued to call man to Salvation and union with Him. This he accomplished in many ways throughout the history of humanity. The culmination of all these was in the offering of Jesus Christ on the Cross, but before his Passion and Death, Jesus dedicated his time and went in the Garden of Gethsemane where he prayed that the will of His Father may be done. It is from here that he is arrested and crucified. The Resurrection of Jesus Christ, the foundation of our faith, took place in a Garden. Sin began in the Garden and the fulfillment of our salvation is realized in the Garden, hence the place derives its name Resurrection Garden.

The property belongs to the Catholic Archdiocese of Nairobi. It is therefore under the Archbishop of Nairobi. Working at the Shrine on behalf of the Archdiocese of Nairobi are the Consolata Fathers and Dimesse Sisters.
